December 11, 2006

Mr. Bob Marino  
Keystone State Corvette Club

Dear Bob,

It was a pleasure attending the KSCC Holiday Gala as your guests. We appreciate the opportunity to speak to your members about our Association and how your generous donation each year greatly assists our members with spina bifida. We enjoyed the evening and appreciate your hospitality.

I would like to express our sincere appreciation from the Board of Directors and the members of the Spina Bifida Association of the Delaware Valley, Inc. for your generous donation of **\$14,000**. Your continued support of our Association is heartwarming.

The mission of the Spina Bifida Association of the Delaware Valley, Inc. is to promote public awareness of spina bifida and to enhance the lives of all affected by spina bifida. The Spina Bifida Association of the Delaware Valley, Inc. (SBADV) funds numerous programs which include: **the purchase of wheelchairs and sports chairs, braces, crutches, van conversions, stair lifts, ramps and medical supplies. We also offer free educational programs, Camperships, post secondary education, conference assistance and a support network for our families and adults.**

In the fiscal year ending June 2006, SBADV provided more than **\$65,000** in financial assistance to our members. All contributions made to SBADV stay right here in the Delaware Valley to enhance the lives of those individuals living with spina bifida. Please be aware that your generous gift is put to good use in helping more than 200 families in our Association.

In accordance with tax regulations, this letter will serve as a written acknowledgement from the Spina Bifida Association of the Delaware Valley, Inc. that no goods or services were provided in exchange for this contribution of **\$14,000**.

Please thank your members and let them know that the continued generosity extended to SBADV by KSCC, is greatly appreciated and certainly never forgotten.

Respectfully,

  
Keri Mascafo  
President of SBADV
